## A Writ for y<sup>r</sup> rumination being based on the White Rose Leaflets

For those of you who are completely unfamiliar with the story of the **White Rose** (German: Weiße Rose), one of the best ways to get a feel for their heroism is simply to read what they wrote. The first four leaflets (Leaflets of the White Rose) were written between March 1942 and July 1942. Authors were **Hans Scholl** and **Alexander Schmorell**, though it is possible that **Sophie Scholl** and **Christoph Probst** contributed to the texts. Their voices seem to echo on the pages. We also know that one of Hans Scholl's discussions with **Traute Lafrenz** was memorialized in **Leaflet IV**.

In **Leaflet 1**, they seek to conjure up images of **Goethe** and the glorious Germany of days gone by to stir up the consciences of those living under **National Socialism**.

“Failure to act will result in destruction—and shame.”

In **Leaflet 2**, they poke fun at Hitler's bad German, and delineate the crimes that are being committed by Germans in the name of **National Socialism**.

In **Leaflet 3**, they develop the arguments for claiming that **National Socialism** is *an evil regime*. Probably the most famous of the first four leaflets, this is the one in which they clearly define what “*passive resistance*” looks like—*what any patriot should sabotage in order to bring the war machine to its knees*.

In **Leaflet 4**, they narrowed the appeal to target devout Lutherans (pietists like **Magdalena Scholl**) and religious **Catholics**. Instead of quoting **Goethe**, **Schiller**, **Aristotle**, or **Lao-Tzu** as in earlier leaflets, they concentrated on **King Solomon's Proverbs** (from the Bible) and the strong Catholic imagery of **Novalis**. This leaflet is most remembered for its assurance that they were not in the pay of a foreign power, and even more so for its ending: “*We are your bad conscience...*”

**Leaflet 5** appeared after a six-month silence. Hans, Alex, and Sophie had taken counsel of more experienced “*propagandists*” by this time—specifically **Falk Harnack**. This leaflet was titled: “*A Call to All Germans!*” It demonstrates greater maturity, although, it is not nearly as verbose or poetic; as a result, it delivers a far more powerful punch. In this leaflet, they looked beyond the end of the war and dreamed of a **New Free Europe**.

**Leaflet 6** was written by **Prof. Kurt Huber**. The language is gorgeous—the original German is unsurpassed for its sly wit and incisive “dialog” with the reader. He drew on the *overwhelming grief* following the defeat at **Stalingrad** in an attempt to stir *patriotic feelings* that superceded National Socialism. Truly, it is a brilliant piece of prose... only marred by the later realization that Huber meant the freedoms to apply to **Aryans**.

**Leaflet 7** (*not included*) was the *ill-fated document* that cost **Christoph Probst** his life. He did not stand a chance once *his Gestapo interrogators* read the line praising **President Roosevelt** (**Freemason**)—popular among **Negroes**, **Catholics** and **Jews**—and whom, along with **Winston Churchill** (**Zionist**) and **Josef Stalin** (**Communist**) were the three different heads of the **Yaltan hell-hound** (**Jesuit**).

Nothing is so unworthy of a civilized nation as allowing itself to be governed without opposition by *an irresponsible clique* that has yielded to *base instinct*. It is certain that today every honest Canadian is ashamed of our government. Who amongst us had any conception of the dimensions of shame that hath befallen upon us and our progeny!? Whence, if one day, the scale doth fall from our eyes and we see for the first time the most horrible of crimes—crimes that infinitely outdistance every human measure—“*woken*” to the light of day?

If we, the Canadian people, are *already* so corrupted and spiritually crushed that we do not raise a hand, frivolously trusting to a questionable faith in lawful order of history... if we surrender our highest principle, that which raises us above all other God's creatures, our “free will to power”; if we abandon our “will power” to take decisive action and turn the “wheel of history” and thus subject “it” to our own rational decision; if we are so devoid of all individuality, having already gone so far along the fabulous gold brick road to perdition... us (blind followers of the blind) turning into *a spiritless “legion” of cowardly lemming en masse*... then, yes! we deserve downfall. History speaks of tragic peoples (like the Jews and the Muslims), but today ’t would appear rather that it be we which are a spineless, willingless “herd” of hangers-on that now—the marrow sucked out of our bones and us robbed of our center of stability—are haply waiting to be hounded to self-destruction.

So it seems, eh! but it is not so. Rather, by means of gradual, treacherous, systematic abuse, the system has put every one of us into “a spiritual prison.” Only now, finding ourselves lying in fetters, having become aware of his fate—only a few recognize the threat of ruin... knowing the reward for our heroic wakening is death and dishonour. What more have we to say about the fate of these dreamers (haply content in trusting liars in denial). If everyone waits until the other person makes a start, the messengers of avenging Nemesis will come steadily closer; thence even the last victim will be cast senselessly into the maw of the insatiable demon. Therefore every individual, conscious of his/her responsibility as a member of Christian-founded Eurocentric civilization, must defend ourselves as best we can at this late hour—edging e'er closer to the midnight witching hour... thus must we work against the scourges of “peoplekind,” against fascio-commie “fabianism” and any-and-all similar systems of “corporate totalitarianism.”

“Repent”—as offering “turn-cheek” passive resistance is no resistance, so—“Rebel”...! wherever you may be, forestall the spread of the “atheistic war machine” before it is too late... before the last “sovereign” states fall to the “Crown City of London”... to the Jesuit-infected Papal hierarchy of Babylonian money-changers in Rome... to the military-industrial complex in Washington (DC)... to the Satanists in Brussels and Switzerland... to the technological sorcery of Silicon Valley and the pedophiliacs on Broadway (in New York) and Hollywood (in the City of Fallen Angels)... and the likes of the Aristocratic Nera “shadow government”—the worm within the fruit forbidden, *so to speak*.

Yea, our statuesque “national identity” hath been reduced to mere soverchio... rubble! Oi! Rebel before our nation's last youngsters have surrendered their blood on alters of transhuman hubris. Repent! Do not forget that every people doth deserve the regime it is “willing” to endure!

Based on “The Lawgiving of Lycurgus and Solon” by Freidrich Schiller (*as follows*):

Viewed in relation to its purposes, the “**Law Code of Lycurgus**” is a masterpiece of political science and knowledge of human nature. He desired a powerful, unassailable start, firmly established on its own principles. Political effectiveness and permanence were the goal toward which he strove, and he attained this goal to the full extent possible under possible under the circumstances.

But if one compares the purpose Lycurgus had in view with the purposes of mankind, then a deep abhorrence takes the place of the approbation which we felt at first glance. Anything may be sacrificed to the good of the State except that end for which the State serves as a means. The State is never an end in itself; it is important only as a condition under which the purpose of peoples can be attained, and this purpose is none other than the development of every person's power, their progress and improvement.

If a State prevents the development of the capacities which reside in people, if it interferes with the progress of the “human spirit,” then it is reprehensible and injurious, no matter how excellently devised, how perfect in its own way. Its very permanence in that case amounts more to a reproach than to a basis for fame; it be comes a prolonged evil, and the longer it endures, the more harmful it is....

At the price of all moral feeling a political system is set up, and the resources of the State are mobilized to that end. In Sparta there was no “conjugal love,” no “mother love,” no “filial devotion,” no “friendship”—all people were “strawman citizen possessions”—nothing more... and “all virtue” was submission to the *so-called* civic virtue of the “hive-mind mentality.”

A law of the State made it the duty of Spartans to be inhumane to their slaves—as are the libtardo villains who persecute Christian Orthodox Nationalists today: In these unhappy victims of the “terrorist war against Faith and Freedom,” both “Justice” and “Liberty” are insulted and mistreated. In the Spartan code of law, a dangerous principle was promulgated, that of “the lives of common folk are to be looked upon as means and not as ends” and “the foundation of Natural Law and of Morality are to be destroyed by that Maritime Law of the Admiralty,” *such as it is*.

What an “admirable” sight is afforded, by contrast, by the rough soldier **Gaius Marcus** in his camp before Rome, when he renounced “*vengeance*” and “*victory*” because **he could not endure to see a mother's tears!**

The State [of Lycurgus] could endure only under condition that “the Spirit of the people remains quiescent.” Hence, it could be maintained only if it failed to achieve the highest purpose of a State, which is “*communism*.”

From Goethe's “The Awakening of Epimenides,” Act II, Scene 4 (*as follows*):

### SPIRITS:

Though he who has boldly risen from the abyss  
Through an iron will and cunning  
May conquer half the world,  
Yet to the abyss he must return.  
Already a terrible fear has seized him;  
In vain he will resist!  
And all who still stand with him  
Must perish in his fall.

### HOPE:

Now I find my good men  
Are gathered in the night,  
To wait in silence, not to sleep.  
And the glorious word of liberty  
They whisper and murmur,  
Till in unaccustomed strangeness,  
On the steps of our temple  
Once again in delight they cry:  
Freedom! Freedom!

It is impossible to engage “*snowflakes*” in intellectual discourse with **Cultural Marxist Philosophy**, for if there were such an entity, one would have to try by means of analysis and discussion either to prove its validity or to combat it. In actuality, *however*, we face a totally different situation. At its very inception this movement depended on the deception and betrayal of one's fellows; even at that time it was *inwardly corrupt* and could support itself only by constant repetition of candy-coated poisonous propaganda, commercialized half-truths and blatant lies

spewing from the mouths of civic hand-puppets at every level of our society—municipally, provincially, and federally.

After all, every Canadian Prime Minister since **William Lyons Mackenzie King**—especially thaim who follow **Jesuit-educated Pierre Elliot “Ti-pet” Turdeau** and, *specifically*, “**Castro's Little Potato**” **Justin Turdeau** either has... or is... and is sure to sell us decent folk born as healthy members of *an ancestral familial society* for a *kyklish hand-over-fist fiat wage* of **decuple \$3 ducats**: “It is unbelievable, to what extent one must betray a people in order to rule it.” If, at the start, a *cancerous growth* in the nation was not particularly noticeable, it was *only* because there were still enough forces at work that operated for the good, so that it went unnoticed and was kept under control.

But, as “it” grew larger, *however*, and *finally* in an ultimate spurt of growth [ ] the “tumor” broke open, *as it were*, and infected the whole *body politick*... then what!? There is naught that can be done to excise “it” and, the *sympiotte doppelgänger* triumphs—and the *citizenry of “natural persons”* is replaced by the *parasitoid “pod people*.” Meanwhile, the greater part of our “*blue-pilled*” kindred have stuck their heads up their collective “arses”—going into hiding *as it were*... as you “*hosers*” flee into your cellars, there, like plants struggling in the dark, away from light and sun, gradually to choke to death. **Now “the end is at hand”**: **Here** be our task to find one another again, to spread information from person-to-person, to keep a steady purpose, and to allow ourselves no rest until the last trueborn Canadjun is persuaded of the urgent need of our struggle against this “*morthrain*” system. Thus, as tsunamic waves of unrest wash o'er the land... and *viral ignorance* “is in the air,” believe it or not that many will not join our cause... there will be no “great final effort” to relieve us of this “*samakian*” slavery... for, *for these wights*, Landru's lawgivers are “*more equal*” and the *xenomorph* “*red hour*” of “*aghoric purge*” and “*gallicious orgy*” is not to be reviled but exalted: After all, “an end in terror” is preferable to “terror without end.”

“Fucking pigs, legalize murder.”

G.G. Allin and the Murder Junkies;  
“Brutality and Bloodshed for All” (Track 14)

There is no “*salivating*” *messiah*... no **11<sup>th</sup> hour “broken arrow” miracle** as the **Doomsday Clock** counts away our last moments and the *sands of time* run out for us; neither hope ye for an “*archonic*” rescue... nor pray ye for a “*mondoshawan*” requiem... for there will be none! for we are not in a position to draw up *a final judgment* about the *meaning of life*. But if this present catastrophe can be used to further the public awareness, it will be only by virtue of the fact that “we are cleansed by suffering”; that *we all* yearn for the light in the midst of this... *our* deepest night... and summon *each* the adrenaline rush of insurgent strength to resist and, *finally*, to assist in shaking off the Luciferian yoke which weighs heavy upon our world.

Sure, eh! We do not want to discuss here the question of the *lobbyists*, *lawyers* and *politicians* on “**the Hill**” (in **Ottawa**), nor do we want this leaflet to compose *a defense for our unabashed loathing* of them, nor *an apology of our abominate detestation* for them *execrate traitors in Parliament*. No, only by way of example do we want to cite the fact that “since the British conquest of Nouvelle France (in 1759) *countless First Nations and Méacutetis persons* have been lied to... had their land and sovereignty stolen... and were murdered in this country by the **Halakhaic English Zionists** in a most bestial way. Here, in Canada, we have witnessed *crimes against human dignity* perpetrated by *seven generations of racial-and-class hatred* in the whole of history of our *once-great* nation: These same international criminals have engaged in holocaust against the Chinese *during the Opium Wars*, against the Japanese Bushido class *during the Boshin War* and *Satsuma Rebellion*, against the Indians and half-breeds *during both Riel Rebellions*, against the Afrikaans of the Republic of Transvaal and Orange Free State *during the South African Boer Wars*... against Armenian Christians in the Ottoman Caliphate, against the Palestinian peoples throughout the Levant...in fact, this cabal of corrupt corporations has declared war everywhere against everyone throughout the **Third World “developing nations”**—in Africa, Asia and South America; and within the **Second World Communist Bloc** countries; and, now, here, in Canada, as within the other **First World Powers**, these *malicious “goat of Mendes worshipping” devils* have declared war upon us, the “*working poor*,” under the guise of **UN Agenda 21 for Sustainable Development**... and they have made it known of certain *that UN Agenda 30* shall be a world-wide eradication of the poor.

“For ye have the poor always with you; but me ye have not always.”

Matthew 26.11

For whereas ye bethink thaim, *too*, “to be human beings” [ ] their crimes against humanity are of such dimension as has ever been perpetrated against human beings. Someone may say that “*we, the sheople*” deserve this fate. This assertion would be a monstrous impertinence; but let us assume that someone said this (*as follows*): “What position has he then taken toward the fact that the morality of our young is in its entirety being annihilated by ever-increasing sex and violence in all forms of media, making heroes of villains... effeminizing our sons and prostituting our daughters in Kalgierian miscegenation?”

May God grant that this Maoist program hath not yet fully achieved its aim as of yet!

Thus are all our offspring enslaved in conformance to a “hive-mind”/“herd-mentality” in accordance to the most ancient Draconian lex talonis laws of “the strong rule the weak” and “the rich eat the poor”—and, the **Golden Rule** of “whomsoever hath the gold maketh the rules.”

But why tell you of these things!? since you are fully aware of them... eh!? If not of these things, then, of other equally *graven crimes against nature* committed by these *frightful sub-human reptiles*—because we touch on a problem which involves us all deeply and forces *us* all to take thought: “Why do *rich and powerful people* behave so apathetically in the face of all these *abominable crimes!? crimes so unworthy of the human race!?*”

Hardly anyone thinks about it. It is accepted as fact and put out of mind. In the meantime and in-between time, the Canadian people slumber on in their dull, stupid somnambulist sleep, drowsily dreaming... which only encourages these *techno-fascist yeggs*... allotting these *mugsters* free rein to run amok o'er them... and, at every opportunity, to perpetrate all manner of *despicable depredations*; and, of *course*, they so do! Is this a sign that the *rotten souls* of these *spiritually-decaying undead denizens* have been brutalized of e'en their *simplest human feelings*, that no chord within them cries out at the sight of such deeds!? *that they* have sunk into a fatal consciencelessness from which they will never, never awake!? It seems to be so... and *it* will certainly be so, if the *middle class “dozen naught woke”!* Sure, eh! we “**mus ecclesiam**” must protest alone wherever-and-whenever we can against this *international clique of corporate banking criminals*—the *coin-changers* and *money-lenders* of olde which **Christ Jesus** **banished from the Temple**. Oi! I say: “If He sheweth no sympathy for these devils. We, *too*, must evidence no sympathy; none whatsoever... else we be complicit in their shameless guilt and guile.”

For through apathetic behavior we give these evil doers opportunity to act as they do; we tolerate this “misgovernance” which has taken upon itself such an infinitely great *prima fascia onus of guilt*... indeed, we ourselves are to blame for the fact that all this sadness and sorrow about to befall us which hath come about at all! Each of us wants to be exonerated of our guilt... yet, each one continues in this “wide way” with the most placid and *the* calmest conscience. But, doubt it not, none of us can nor will any of us be exonerated of our *mens rae*--for we are guilty... guilty, guilty, guilty!

It is not too late, *however*, to do away with this *most-reprehensible* of all *miscarriage of governmental injustice*, so as to avoid being burdened with the proof of *an ever greater guilt*. Now, when in recent years our eyes have been

opened, so as whence we of certain know who our adversary is, it is high time to root out this elitist horde. Up until the outbreak of the viral war loosed upon us, the larger part of the people at large and in general have been boondoggled and bamboozled to blindly follow after the blood-bespattered Judas-goat loosed in the wilderness of wandering—blinded by our ignorance and seeing what we are told to see and so believing what we see rather than what is there to be seen: Think not that these monsters reveal themselves in their true aspect.

But now, now that you have hadst thyne eyes cleaned somewhat of the blinding scales... being capable now to recognize them for what they are... it must be the sole and first duty, the holiest duty of every soul of us to destroy these beasts.

If the humble folk seem barely aware that the “**Deep State**” exists, they are happy. But when the “*powers that be*” are felt to be oppressive these same grumblers go broke. Good fortune, alas! builds upon angst. Good fortune, alas! is the mask of misery. What will come of this? we cannot foresee. Yet, surely as order is upset and turns to disorder, good becometh evil. Is it not so!? day in, day out!? Hath it not been so from the beginning!?

Lao-Tzu:

“The wise man is therefore angular, though he does not injure others; he has sharp corners, though he does not harm; he is upright but not gruff. He is clear-minded, but he does not try to be brilliant. Whoever undertakes to rule the kingdom and to shape it according to his whim—I foresee that he will fail to reach his goal! That is all. The kingdom is a living being. It cannot be constructed, in truth! He who tries to manipulate it will spoil it; he who tries to put it under his power will lose it. Therefore: Some creatures go out in front, others follow, some have warm breath, others cold, some are strong, some weak, some attain abundance, others succumb. The wise man will accordingly forswear excess, he will avoid arrogance and not overreach.”

“Salus publica suprema lex”

“The common good is the supreme law.”

Cicero

**All ideal forms of government are Utopias**: A State cannot be constructed on a purely theoretical basis; rather, it must grow and ripen in the way an individual human being matures. But we must not forget that “at the starting point of every civilization the State was already there in rudimentary form.” The **family construct** has been with us since before the *lithonic era* of our *hunter-gatherer primogenitors*, whence people first designed to consume that which was forbidden—the *fiery fruit* of the “*golden tree of knowledge of good and evil*”: (Mark: We may consume the seed, the sprout, the root, the pith, the bark, the leaf, the fruit and the nut... but fire alone is that singular thing which grows upon a tree that cannot be consumed). The wood thereof of the “*silver tree of life everlasting*” our prehistoric *pater familias* burnt to keep wild animals at bay, to warm the cold caves wherein we hid ourselves from the angry storm gods of the mountains, and for light therein the stygian darkness wherein civilization was born... and for cooking... and for smelting metal... but *the ancients perverted fire by worshipping idols*... and, we lost our innocence.

Thus didst our forebearers invent “**sin**” after having tamed fire—and, in sin, *we gave up our children as offerings to the false gods of our imagination*, whence the *tripartite goddesses of the crossroads* ruled the night—the nubile-waxing **Ever-Virgin**—*the maiden who bled without having been wounded*, the nurture **Earth Mother**—*pregnant and lactating*, and the **Wise Old Woman**—*the waning grandmother which ruled over the harvest*, and, whereof we hadst once lived in harmony with Nature, we now fell down into the grave, damned from our conception, our bones trembling in fear of the **Dread Lord of the Unknown**... the meat of our body ruled over by instinctive passions—to fuck or fight and feast or to take flight—and, *the fleshy part of our soul* “quick became” manifest through the names of our *clan mothers* (150 generations), writ therein the **Book of Life**.

Sure, eh! us trueborn Canadians can read those *names emblazoned upon the wind*, like the *smoke of green wood*, spoken of in the *crackling sparks by sprites which rise into the starry heavens*, carrying *words of our names*... and of *our sayings and deeds*... like the *pneuma of our psyche*, e'ery secret thought thereof known by the **Divine** (Source of mortal life, and “transcending substance” of our alchemical conscience, and the End of *our* Being). Thus *arthe we fecundating grubs endowed with reason*—and, such is it that we created for ourselves “*a civic*” State found on *principles of law and order* and *justice*—**ma'at**—whose highest *truth is the “common” good*.

Sure, eh! the State should exist parallel to the **Divine**, and the governance thereof reciprocal of *a utopian “civitas dei”* hereupon Earth, whereof we have all been born... wherefore we are all sustained... wherein we shall all find refuge after the end of our time.

Here we will not pass judgment on the many *possible* forms of the State: democracy, constitutional monarchy, *and so on*. But one matter needs to be brought out clearly and unambiguously... every individual human being has a claim to a useful and just State—a State which secures the *freedom of the individual* as well as the good of *the whole body politick*. For, according to **God's Will**, people are intended to pursue their *natural goals*, their *earthly happiness*, in self-reliance and self-chosen activity, freely and independently within the *community of life and work of the nation*.

But our current “*leftist*” State is a—uh um—a *factotum globalist dogsbody* headed by an “**s-j-w” myrmidon stooge**. “Oh, we've known that for a long time,” the *hoi polloi* object... “and it isn't necessary to bring that to our attention again.” But, we ask you, if you “*goi*” that know! thence why not bestir yourselves to “**repent and rebel**”!? why do you allow this scum that is in power to rob us step-by-step, both openly and in secret, of one domain of *our constitutional rights* after another!? Eventually, as was the goddess **Inanna** so stripped of one garment after another as she descended into the nether-realm, whereat the gate of which she fell as one dead... naked and cold! so, *too*, shall we awaken one morn... *reaven of every natural right* we were born with—the *inheritance of our ancestral blood, sweat and tears*—having nothing, nothing at all left us by the mechanized technocratic State we, ourselves, built—as didst **Er** and **Onan**, the sons of **Judah**, of which naught else is known of them except *that* they died and were buried in the desert!

Sure, eh! e'en as the proverbial frog in hot water is slowly boiled, so didst we construct this draconian caste-system presided over by corporate criminals and drunken demagogues.

“Democracy is a charming form of government, anarchic and motley [full of variety and disorder] and dispensing a sort of equality to equals and unequaled alike!”

Socrates

“Democracy leads to mob rule, which is anarchy.”

Plato

“Republics decline into democracies and democracies decline into despotisms.”

Aristotle

When Alexander the Great of Macedon was on his death bed, his generals asked him: “To whom shall you bequeath your empire?” He simply answered: “To the strongest”—and then *he died*.

Is your Spirit already so crushed by abuse that you forget it is your right - or rather, your “*moral duty*”—to eliminate this “*rich eat the poor*” system? But if anyone can no longer summon the strength to demand their rights, then it is absolutely certain *that* they will perish. We would deserve to be dispersed through the earth like *dust before the wind* if we do not muster our powers at this late hour and *finally* find the courage which up to now we have lacked. Do not hide your *cowardice* behind a *cloak of expediency*, for with every new day that you hesitate, failing to oppose this offspring of Hell, your guilt

failing to oppose this offspring of Hell, your guilt, as in a parabolic curve, grows ever higher-and-higher.

Many, perhaps most readers of this leaflet, such as you, do not see clearly how anyone can practice ***an effective opposition***. Nor do you good folks see any open avenues of rebellion against them... yet **everyone is in a position to contribute to the overthrow of this corrupt system**. It is not possible through *solitary withdrawal*, in the manner of embittered hermits, to prepare the ground for the overturn of this **“Zionist Occupied Government” (ZOG)** nor bring about *“**revolution**”* at any time. Know this, *though*, eh! Canuck: “It can be done... but only through the cooperation of many convinced, energetic people... people such as you... who are in agreement as to the means which must be used to attain this goal.

“I am not afraid of an army of lions led by a sheep; I am afraid of an army of sheep led by a lion.”  
Alexander the Great of Macedon

We have no great number of choices as to our means. The only one available is **“passive resistance”**: The meaning and goal of *passive resistance* is to topple the *so-called conspiral “Deep State” Shadow Government*... nevertheless, such a threat does exist.

In the form of such *financial institutions* as the World Economic Form, the Bank of International Settlements (BIS), the World Bank, and *central banks* like the Federal Reserve and the Bank of Canada... through *political agencies*, such as the United Nations (UN), the European Parliament and European Union (EU), as well as through *international elements* associated with the military/industrial complex, such as NATO, NASA, the European Space Agency and/or Raytheon—all of which are involved in the *private* sector with such corporations as Lockheed Martin, Boeing, and Northrop Grumman; and, further, in the *fields of science and technology* through such means as the World Health Organization (WHO), CERN, Silicon Valley... through *corporate entities* like Microsoft, Google-Alphabet, Apple, Facebook, Amazon, and *such* individuals as Bill Gates, Jeff Bezos, Elon Musk, Henry Kissinger, Nathan Warburg, Zbigniew Brzezinski, George Soros, Warren Buffet, Michael Bloomberg, Mark Zuckerberg... more importantly, “*aristocratic*” families such as the Colonna, the Massimo, the Orsini..., the House of Saud..., and the rich and powerful, such as the Kennedy and Walton families—to name but a few; as well as the *“illuminated” families* like the Rothschilds (Papal bankers of “Crown City” in London) and the Rockefellers—the power behind “think tanks” like the Trilateral Commission and the Council of Foreign Relations and/or Chatham House; also, the likes of the Bilderberger Group, the Order of the Garter, the Knights of Malta... *militant agencies* such as Interpol, Scotland Yard, Mossad, and of *alphabet surveillance agencies* such as the NSA, CIA, FSB, BND, and the 610 Office, including *privatized mercenary armies* as Wagner Group, Erinyes, Academi, G4S Security, and DynCorp—all of these and more... much-much more... all controlled from behind the scenes by the militant Jesuit Society of Jesus—now in command of the Vatican (Rome)—the power behind the Third Temple (Jerusalem); More-so, every monopolized consortium on the planet, such as Bayer-Monsanto and Pfizer (pharmaceutical-agricultural), Walmart (commercial), Reuters and the Associated Press (news industry), not to mention the railway *moguls*, oil *barons*, *magnates* of mainstream mass media, *tycoons*, *royalty*, *et cetera*...

And, in the struggle of all this, we pawns—*us “common folk”* who have been reduced to being nothing but **“strawman citizen possessions”**—we whom are *bought and sold, traded and bartered, collateral hostages, pawned and liened against* by the generations... *aborted, euthanized and vaccinated* by the generations... *used, misused and abused en masse* by the generations...

And we must not recoil from any course or recourse, nor take any action, whatever its nature, whether passive or aggressive... notwithstanding, we are their property... their cattle... and even if we shouldst rouse together in open rebellion against Master... Master will resort to implementing the **“Sampson Option”** (thermo-nuclear bio-chemical world-wide destruction).

Satan: **“Better to reign in Hell, than serve in Heaven.”**  
Milton, “Paradise Lost,” Book One, line 263

At every point we must oppose this **Synagogue of Satan**, wherever it is open to attack. We must as soon as plausible bring the reign of these monsters to an end—not just here, in Canada, but everywhere. A victory of these **Cultural Marxists** in this *“economic war on the middle class”* would have immeasurable, frightful consequences. The military victory over **Bolshevism** must be **“unconditional”** of necessity. Every convinced opponent of these *“illuminated” Luciferians* must ask of themselves “how can I fight against the present State in the most effective way; how can I strike it the most telling blows.” Through *passive resistance*, without a doubt! we cannot provide each-and-every person with a *blueprint* for their actions... we can only make suggestions in general terms... but you alone must find a way of achieving this end.

**“Sabotage”** municipal government’s leftist agenda, whereof intolerance toward traditional values is fostered; more-so, **“subvert”** the authority of provincial and federal institutions... **“vitiate”** every *“pinko”* gathering, rally, public ceremony possible... **“obstruct”** the smooth-functioning praxis of the *draconian political machine* that is processing our natural families into *soulless “pink slime”* and *manufacturing humanity ad nauseum* to create a *multicultural miscegenate Afro-Asiatic Tau’rian slave-society and a global village—a worldwide favelas slum* rampant with *hunger and disease*... policed by *“iron-heel” Uruk-hai “Sandman” death squads* and ruled over by the *ghoulish elite*—haply subservient to those God-damned *parasitic Goa’uld cenobites* reducing our *“cultural identity”* into a *zombific soverchio at their feet* and our *“individuality”* into a *“great unwashed” homogeneous multitude* of wretched *muselmänner “undead”* born to live and to suffer and die in a mass grave without any hope whatsoever.

“If you want a vision of the future, imagine a boot stomping on a human face—forever.”  
George Orwell, “1984”

**“Sabotage”** in all areas of *science, technology*, and *industry* which further the continuation of the *terrorist war on the “working poor” wanted families*—whether in *universities, technical schools, laboratories, research seminars, or technical bureaus*.

**“Sabotage”** in all *cultural institutions* that enhance the “prestige” of these tyrants among the disbelieving masses.

**“Sabotage”** in all branches of the *liberal arts* which degrade *the concept of beauty* and/or emulate what is ugly and mean.

**“Sabotage”** in all printed publications, in every broadcast and webpage that propagates and/or apologizes for “ZOG” and/or defends its sublimite ideology of disseminate lies and veiled half-truths.

**“We implore you, Citizen Fot!; commit every thought crime imaginable...”**

Do not tithe a *“cent”* to the publicized and commercialized charities... for these *pretenses of largesse* are only thinly disguised ruses to separate you from your money: (If the wealthy were but to give a *“penny” on the dollar* there wouldst be no need to so tax we working poor). In reality, the proceeds aid neither the cause nor the conscience. Government and commercial enterprise hath no need of this money; they are neither *financially altruistic* nor *benignly interested* in such *calls for almsgiving*. Do not be fooled into believing that income tax and taxes on goods and services benefit the nation... they do not... nor have they ever aggrandized any but those plutocrats which invent such tariffs—after all, the presses run continuously to manufacture any desired amount of *paper currency* and/or *to mint coins*—what matter it them who impose *mulet* whereof most of them need not any form of *currency* inasmuch as *they are above any need of currency*. Yea! it is we wherewith they derive their affluence and *it is their power over us by which they measure their opulence*. In short, *those on top of the heap are not taxed... they oblige us “dirty rascals” to tender pelf*... under threat of persecution.

Whereas the populace is continually distracted, pressure not to conform must not be allowed to slacken! The individual must not cave in to the *“herd mentality”* or the *“hive mind”*. Seek the truth and educate yourself, set an example for your friends and neighbours, including acquaintances of the middle classes, of the senselessness of continuing in disbelief of our cause, of the hopelessness of *“blue pilling”*; gently awaken the sleeping masses to our spiritual and economic enslavement at the hands of the *cold-blooded reptilian minority*; of the destruction of *all moral and religious values*; and urge the somnambulists to *“repent and rebel”* and that *“passive resistance”* needeth not involve *“turn cheek”* submission!

**Aristotle, “Politics”:**

“... and further, it is part [of the nature of tyranny] to strive to see to it that nothing is kept hidden of that which any subject says or does, but that everywhere he will be spied upon... and further, to set man against man and friend against friend, and the common people against the privileged and the wealthy. Also it is part of these tyrannical measures, to keep the subjects poor, in order to pay the guards and the soldiers, and so that they will be occupied with earning their livelihood and will have neither leisure, nor opportunity to engage in conspiratorial acts. Further, [to levy] such taxes on income as were imposed in Syracuse, for under Dionysius the citizens gladly paid out their whole fortunes in taxes within five years. Also, the tyrant is inclined constantly to foment wars.”

### IV

There is a proverb that children were once taught of old\*: **“Pay attention or pay the consequences.”** In short: A smart child will only burn his fingers once on a hot stove.

In the past few months, Master has unleashed successes both in *the American election fiasco* and in the prevalence of **UN Agenda 21**. As a result, *a nihilist sense of civil strife* has been fostered among the ignorant mob on the one hand, while *consternation and pessimism* hath been nurtured on the other hand—good folk being urged to cry out for *vaccination* and haply offer up their progeny to the **New World Moloch**... **COVID 2019**: On every side among the proponents of the real-world **Umbrella Corporation**—that is, of the *“conspiracy theory”*—the better part of every crowd plaintive calls out those disappointing and discouraging words they’ve been programmed to say... which in the Gospels oft end with the exclamation: “Crucify Him! Crucify Him!” (Luke 23.21 & Matthew 15.13)

In the meantime, the UN offensive throughout the **First World nations** has accelerated and **Pfizer** has offered the drowning lemmings the sharp edge of the sword so that they might take hold and rescue themselves—and across the border, the **Biden “tare”** hath taken root and exposed the Republic thereof in dangerous alliance to **Red China**. Thusly dosth e’er eastward march the *demoniac Gerasene swine*... a lost generation continually following after the *“pie-eyed piper” [Sic.]* only to be buried alive under “Koppelberg Hill.”

Lucifer’s apparent success has been at the expense of ghastly sacrifices, so much so that as the *revolving slaves* who followed after **Toussaint Louverture** in rebellion learned...: *“liberty”* is not always described as advantageous: (*Whence the Blacks were slaves, they were fed and cared for in sickness and old age... but as “free people” they had to work even harder than before for much less than they had previously*). We therefore must warn against every form of optimism.

Who has counted the dead!? the Church!? the State? probably neither. Yet, the number of those infected... those in ICU... those recovered... and now, those who have been vaccinated grow every day. Is it the eleventh hour? Is it the time of harvest? for, *surely*, the *grim reaper* approacheth upon a *sickly sere nag* to circumcise our *“firstborn”—the standing crops which the stranger in the night mixed with “darnel”*—and, as mourning returns to every family, in every home no one hath eyes dry of tears.

**WHO is in charge of COVID 2019—the Wuhan “Raccoon” viz. “Corona” Virus**

Although **Canada’s Chief Medical Officer, Dr. Theresa Tam** (b. Hong Kong) will shoulder blame for deceiving those whose most precious possessions have been stolen from them by a senseless death.. it is **WHO director-general Tedros Adhanom Ghebreyesus** (former Ethiopian health minister), whom she taketh her orders from—given her by the likes of **Dr. Bruce Aylward, Dr. Mike Ryan, and Dr. Maria Van Kerkhove**.

Moreover, it is **Chinese President Xi Jinping**—whom is in bed with US President-elect Joe Biden and his son, Hunter Biden, which gives the orders to **George Gao**, Director of the Chinese Center for Disease Control and Prevention and **Mayor Zhou Xianwang of Wuhan—whereof the Novel Corona Virus originated, and Dr. Cao Bin**, Vice-President and Director of Respiratory and Critical Care Medicine in China and at the Japan Friendship Hospital in Beijing. The USA and China are the two largest contributors of funding to the WHO.

**Alex Azar** (former-President Trump’s Secretary of Health and Human Services) is working hand-in-hand with **Dr. Moncef Slaoui** (Chairman of GlaxoSmithKline’s vaccines department) to implement **“Operation Warp Speed”**—that is, “to accelerate the development, manufacturing, and distribution of COVID-19 vaccines”: **Pfizer-BioNTech, Moderna, and AstraZeneca** have *all produced a toxic mRNA-based Covid-19 vaccine*.

**Cost per dose—estimated per 100 million doses**

Pfizer and BioNTech have set the initial price at \$19.50 a dose, which comes to \$39 per patient (since each vaccine requires a two-dose regimen). Moderna, which has developed a competing mRNA vaccine, has set its price to around \$50 per patient (or \$25 a dose).]

**Council on Foreign Relations** mouthpiece **Dr. Robert Redfield**—director of the Centers for Disease Control and Prevention (CDC) and administrator of the Agency for Toxic Substances and Disease Registry, **Dr. Nancy Messonnier** of CDC National Center for Immunization and Respiratory Disease, **Dr. Martin Cetron** of CDC Division of Global Migration and Quarantine, and **Dr. Anthony Fauci** of the National Institute of Allergy and Infectious Diseases, whom are all closely affiliated with the **Novel Corona COVID-19 Virus**, have vast experience in combating viral epidemics since the emergence of AIDS, West Nile virus, SARS, MERS, the *bird flu* and the *flu pandemic of 2009*, the long-running West African Ebola outbreak, the *Zika* outbreak.

In short, it matters not “how” and/or “why” this **God-damned plague** was loosed upon the innocents of our world, neither “where” or “whence” it originated... nor “what” is-or-is not in the *vaccine* or “who” stood to profit from this epidemic—shouldst it be proven to be no accident of nature but a calculated blitz in accordance to the “First Law” of the Georgia Guidestones—the important issue is exactly as the meme says: **“We are all in this together.”** This said, whether-or-not you believe in coincidences... I find it eerily coincidental that a Chinese biotech laboratory (near Wuhan) has the same *logo* (blue) as the fictional *“Umbrella Corps”* (red), and *that* an anagram for *“raccoon”* is *“corona”* albeit using the less common British variant, which is spelled with one “c” rather than the American spelling using two (“cc”).

Pretty much every word that proceeds from a politician’s and/or a lawyer’s mouth is either *a veiled half-truth or an out-and-outright lie*. When they say their motive is peaceful, what they really means *“fuck you.”* And whence they name the **Holy Name of Almighty God**... strothe! they *blaspheme in a graven manner*, for it is their *“golden calf”*—the renegade Angel, **Lucifer haSatan**. His mouth is the *stinking maw of hell* and his might is fundamentally *reprobate and licentious*. To be sure, one must wage the battle against **“National Socialist Communism” [Sic.]** using rational means. But whosoever daint believe in the *“unnatural existence of demonic powers”* has not comprehended by far the metaphysical background of this *“unholy eugenic war.”* Behind the tangle—behind that which can be perceived by the senses—behind all factual, logical considerations stands **“The Irrational”**... and that is **“the battle against demonic principalities and powers in high places” viz. “against the messengers of the Anti-Christ.”** Everywhere and at all times, the *demons in the dark shadows of disbelief* await for the hour in which *we sublunary creatures* grow weak—in which we voluntarily abandon our position in the world order (which is based on freedom and comes from God)—in which we yield to the **“force” of the Evil One**, having disengaged itself from the powers of the **Avonal or Magisterial Sons of Universal Order**. Once having taken the first step of our own **“Free Will to Power,”** we are driven to take the second... and thence a third... and e’en more with furiously increasing speed. Everywhere and at every time of greatest danger, people have risen up—prophets and saints are martyred—whom are aware of their *freedom*, whom have pointed to the **One True God** and with **Divine** aid have exhorted the *sheople* to turn to repentance—prophets and saints are martyred. We surely are *“born free,”* but we are defenseless against the **Evil One** without the **One True God**. We be like a ship without a rudder that is given over to the storm... like a nursing child its mother... like a cloud that dissolves...

God is not to be named... nor defined... neither is God to be found in Nature for God is “supernatural”—as are we whom are made in the spiritual image of the Divine. People have invented their “false god” in their own image! Such a fallible entity is a figment of the unconscious collective and is as people are.

How can a limited psyche constrain the Divine, which is beyond our human capacity of understanding? The “natural universe” is not the body of the Divine, nor is the Holy Spirit truly comprehensible to our animal nascence. Yet, who dareth deign to believe *that* God Is!? One merely has to look aback to thaim souls martyred throughout human history and query why these chose to die... and what their sacrificial wage purchased us living folk now... as in the future!?

We owe them a debt...

I will ask you, those of you who claim to believe in God: In this struggle for the preservation of your most precious souls, is there a hesitancy, a pretense of intrigue, procrastination of your decision in the hopes that someone else will rise up to defend you? Did not **God Isel**f give us *all the strength* and the *courage* and the *wisdom* to fight against the *unholy principalities and powers of the Darkness* within the **Dweller on the Threshold**?

Sure, eh! we must attack the **Evil One** where *it* is strongest, and *it* is strongest in **“the power of usurious fiat-debt.”**

**Ecclesiastes 4.1, 2:**

“So I returned, and considered all the oppressions that are done under the sun: and behold the tears of such as were oppressed, and they had no comforter; and on the side of their oppressors there was power; but they had no comforter.

Wherefore I praised the dead which are already dead more than the living which are yet alive.”

**Novalis:**

“True anarchy is the element of procreation for religion. When everything positive has been destroyed, religion raises its glorious head as the benefactor of a new world: If Europe will awaken, if it will become a nation of nations, then a new political science would be at hand!

Should *perhaps* hierarchy be the principle for a union of nations!? Blood will pour over Europe until the nations are aware of their terrible insanity that drives them around-and-around in circles. Then touched and soothed by holy music, they approach their former altars in the beauty of diversity (*i.e.*, *“all races together”*), taking up works of peace, and tearfully celebrating a great festival of peace on the smoking battlefields. Religion alone can revive Europe and secure the rights of nations and install **Christianity** in its peace-giving office visibly on this earth with new glory.”

We expressly state *that* “we are not a hireling of a foreign power.” Though we are aware that the might of **National Socialist Communism** must be broken by any-and-all means! Like you, we seek to achieve a revival of the deeply wounded

human spirit from within. However, this rebirth must be preceded by *a clear confession of all the guilt every one of us has incurred* and in the inevitable end-times battle against *“evil in the ruthless minds of the spiritually dead”* and those *“devil-worshipping maggots feeding on the rotted meat of our body politic” et al*. The chasm between the better part of the **“common law” nation** and everything connected with the **“Strawman Corporation”** must be brutally quashed. There is no punishment on this earth in our lifetime that is adequate for the deeds of these followers of the **Judas-goat Mendes**. Out of love for our unborn generations, we must make an example [of them] after the conclusion of this war on us working poor so that no one will ever have the slightest desire to attempt something similar. Do not forget even the little scoundrels of this *terrorist regime*. Note their names, so *that* no one escapes! After all their atrocities against humanity, they should not be allowed to change sides at the “eleventh hour” and thereby pretend as though nothing wrong hath hap’t!

We will not keep silent. We are your guilty conscience... and shall not let you alone!

### V

The **Covid pandemic** is approaching its destined end. As in the years 1918-19, when the **H1N1 influenza A virus**, killed an *estimated 50 million people*—one-fifth of the world’s population was attacked by the deadly **Spanish Flu**, which lasted until 1920 and is considered the deadliest pandemic in modern history. Data supports the hypothesis that the *1918 pandemic influenza virus* was able to infect and replicate in *swine*, causing *a respiratory disease*, and *that* the virus was likely introduced into the pig population during the 1918 pandemic, resulting in the current lineage of the *classical H1N1 swine influenza viruses*.

At the time, there were *no effective drugs or vaccines* to treat this *killer flu strain*. Citizens were ordered to wear *masks... schools, theaters and businesses were shuttered* and *bodies piled up in makeshift morgues* before the virus ended its deadly global march.

Nothing spreads like fear.

The newly emergent coronavirus that was first recognized in Wuhan (China), in December 2019, is a *betacoronavirus of zoonotic origins* and is closely linked to the SARS virus.

Don’t talk to anyone. Don’t touch anyone.

But what are the sheeple doing? which will not woken [Sic.] and will not repent nor rebel!? somnambulist idiots dumbly dancing after a pie-eyed piper... young and old alike tuned in to mainstream media... every TV and PC turned on to the “newspeak” and dropping like flies... haply social distancing as they pirouette into ruin.

No one is immune to fear.

None may say “Nay! I’ll not vaccinate...” and no one shill not want but to accept the **Covid RFID “SG mark of the beast” as the fallen light-bearer** sustains its *body-snatching development* of rule over a *zombific drove of the lemming multitude—the “pod people” en masse—we, the Replicant host of the symbiote parasite*, which e’en *the Messiah canst suffer go into the swine.”*

Dr. Ally Hextall:

“Somewhere in the world, the wrong pig met up with the wrong bat.”

“Contagion”—a film directed by Steven Soderbergh

Victory at any price! is inscribed on the banner: “I will fight to the last man,” says Hitler-but in the meantime the war has already been lost.

Oi, myne kindred! Do you and your children want to suffer the same fate that befell the world 100 years ago? Do you want to suffer the same statistics Are we to be forever plagued?

No. Dissociate yourselves from **Cultural Marxist fabulism**. Prove by your deeds that you think otherwise. A new war of *libertinism* is about to begin. The better part of the **First World** will capitulate as they have to the **Third World tsunamiic replacement peoples**: Do not think that these people will conform to our traditions... they wont! Instead... they bring with them the sickness of their ruined nations for they are by nature ruinous. The *strange enemy in the night* has cast these *darnel tares* amongst us in order to so sow discord across the nation... in every city... every town and village... on every street... in every home... tearing apart every family...

Cast off *the cloak of indifference* you have wrapped around you. Make the decision before it is too late. Do not believe the *“red propaganda”* which has planted the *Bolshevist seed* into your bones. Do not believe that *the welfare of foreign peoples* is linked to *the salvation of the world* for the good of humanity. A criminal regime cannot achieve a humane victory. Separate you in this *troubled time of sorrows* from everything connected with what *we are being told to think*. In the aftermath a terrible but just judgment will be meted out to those who strayed or hid behind the cowardly and hesitant *mask of humanism*.

**What can we learn from the outcome of this pandemic... this war on the world’s working poor... a war that is not a war?**

The *enslaving chains of imperialist ideology* from wherever it originated, must be shattered now and for all time. The one-sided *socio-economic militarism of the rich eating us, the poor working class*—our grandfathers believed they fought so that we might never again be allowed to die and fatten the rich and powerful. Only in large-scale cooperation among the “free folk” of all *our* nations can the ground be prepared for reconstruction. To hell with the *globalist hegemony*, such as those *usurious international fiat-criminals and tax-collecting war-mongers* have forced upon us. The working poor must be liberated from their condition of down-trodden servitude to those Stateless tyrants. The illusory structure of autonomous national industry must be made to disappear—forever. No nation and no person has any right to the spoiled goods of the whole world!

Freedom of speech, freedom of religion, the protection of individual citizens from the arbitrary will of criminal regimes of violence... these will be the basis of the New World Order... rather than **“some pigs being more equal than others.”**

### VI

The *corona pandemic* is approaching its destined end. And, as in the year 1917 (Spanish Flu), the government is trying to focus attention exclusively on the growing threat of *a resurgent mutation of the virus*, while in America the **Biden-Harris “Luciferan Democracy”** hath fully been established. But what are the American people doing? they will not see and will not listen. Blindly they follow their seducers into ruin. Victory at any price! is inscribed on their banner... and though we will fight to the bitter end... the war on we, the working poor, has already been lost.

Brethren! Do you and your children want to suffer the same fate that befell the world 100 years ago? Do you want to be judged by the same standards as are our traducers? Are we to be forever hated nations which are rejected by all mankind?

No!

Dissociate yourselves from **“globalist gangsterism.”** Prove by word and deed *that* you think otherwise. **A new war of liberation is about to begin**. The better part of our folk will fight on our side... so cast off thy cloak of conformist *“pipe dreams”* and *of* the indifference you have wrapped around you. Make the decision before it is too late. Do not believe the **Maoist propaganda** which has driven the fear of **Bolshevism** into your bones. Do not believe that Canada’s welfare is linked to the victory of the **“Deep State Shadow Government”** for good *or for* ill. A criminal regime cannot achieve any lasting victory. Separate you from everything connected with **“Master.”** In the aftermath a terrible but just judgment will be meted out to those hesitant cowards who hid.

What can we learn from the outcome of this viral war on we—the working poor... this “third world war” that was never a war of nations? The *imperialist ideology of force*, from whatever side it comes, must be shattered for all time. A one-sided corporate militarism must never again be allowed to assume power. Only in large-scale cooperation among the peoples of all First World nations can the ground be prepared for reconstruction of the **“Common Law”** in opposition to the God-damned **Admiralty Maritime Law** of the Jesuit-Bamophetic Papacy in the Roman Babylon... and their industrial-military complex in D.C.... and of their electronic-fiat monopoly in the City of the Crown (in London).

The centralized hegemony of the *“one world government”/“one world religion”* must be *“aborted”* at its inception... before the **Sandman “euthanizes”** us! The world of the future must be as Nature intended. But, at this juncture, only a sound federation can imbue a weakened world with a “new hope for us wretched.” We “common folk” must be liberated from our condition of *down-trodden slavery* under the *fiat-debt* and *inflative taxation* system: The *illusory structure of so-called “sustainable development”* and the *autonomous electronic currency* must be made to disappear... our every nation and each of us has a right to the goods of the whole world!

Freedom of speech, freedom of religion, the protection of individual citizens from the arbitrary laws of criminal regimes of violence—*these* will be the basis of our new world order.

Jones is my name... I’m in insurance.
